OUR COMMITMENT
The Broad Center at Yale SOM team is excited to welcome you to the Broad alumni community—a network of nearly 900 diverse and mission driven leaders.

Our team remains committed to staying connected, supporting the Broad network and facilitating ongoing connections throughout the alumni community.

OUR PROGRAMS

THE FORUM
The Broad Center’s signature alumni gathering, The Forum, will continue to be a space for Broad alumni to gather for grounding, reflection, and community. Yale SOM hosted the Forum virtually in 2021 and 2022, and looks forward to convening the Forum in-person in the future.

EMERGING PRACTICES EXCHANGE (EPEX)
EPEX is a small-group opportunity for our network members (plus up to one colleague) to share specific initiatives in a consultancy format, and receive candid feedback, resources, and support from peers. Participants will connect with peers across organizations and receive practical and tangible feedback. Past topics have included DEI, talent strategies, and community engagement.

REGIONAL GATHERINGS
A great opportunity for TBC alumni to meet and connect with local network members as well as engage with new members. Volunteering to lead regional gatherings can be a great way to strengthen the ties among alumni in the same region.

AFFINITY GROUPS
Affinity groups organized by Broad network members provide a space for connection through shared identity and experience. In addition to gatherings tied to the Forum, affinity group gatherings throughout the year allow for reflection, support, and community.
